

DISCOVER INNOVATION

Novell is an Incubator for Innovative Thinking

Ready to become a serious player in the exploding open source market? The Open Source Technology Center at Novell supports innovation in open source software by providing prime office space, training, technology and other resources to help growing companies develop new open source ideas, products and solutions.

Now is the time to reserve your space in our state-of-the-art facility. Space is limited, so check it out today at www.novell.com/startup
