Talk about “Most Likely to Succeed.”

This year’s crop of youngsters have it all — brains, vision, ambition, energy, luck, pep, passion. Oh, and gumption. They majored in gumption.

Take a scroll through the class roll and find out why these 40 pros are the apple of Utah Valley’s business community. Some are successful beyond their years, others are in the trenches of greatness, and a couple are just starting to ripen that raw, rare potential.

Oh, the places they’ve gone. Oh, the places they’ll go.
