

PUTTING YOU ON THE MAP

THE TEAM OF JARROD HUNT AND LANA COLONNA

contain a deep understanding of current and emerging technologies, production processes and global business practices. As a result, they are able to meet the precise space utilization needs of their clients for manufacturing, assembly, research and development, distribution and warehouse facilities and land assignments.

With a proven track record in successfully marketing client properties for sale, lease or sublease, Jarrod and Lana are also particularly well versed at representing companies in relocations and/or expansions. They offer consulting on land planning, infrastructure design, and marketing of speculative buildings and are also skilled at arranging build-to-suits for industrial facilities, providing site selection options, and handling land acquisitions / dispositions.

- Extensive market knowledge
- Market statistics / research
- Over a decade of industrial experience
- Expertise in market demand & feasibility analysis
