

animals that turn into pillows and blankets. Since being invented by two young brothers a little more than a year ago, Zoobies are now sold in more than 1,000 stores in the United States, and growing.

OREM

EVOLUTION SALON is under new ownership. The new owners are Jaime Stroshine and Marisa Thorensen.

SLEEPY RIDGE GOLF COURSE broke ground on its \$5 million clubhouse and office suites in April. The 40,000-square-foot facility will house a full-service pro shop, snack bar, golfer's lounge and tournament room, which will service banquets, wedding receptions and other special events. The expected completion date is January 2009.

Upon completion, new offices at 1031 W. Center Street in Orem will house the **UTAH COUNTY ASSOCIATION OF REALTORS AND SUPERIOR LENDING**. The second floor is still available for lease. Occupation is expected later this year, according to contractor Big-D.

WOLF ELECTRONIX, an electronics manufacturing services provider, has invested nearly \$2 million in new equipment and facility improvements. The location is the most state-of-the-art EMS provider in the intermountain region with increased capacity of more than 300 percent.

LINDON

CANOPY VENTURES announced the formation of Canopy Ventures II, an early stage venture capital fund totaling \$100 million that is designed to infuse high-potential companies with the capital and support they need. The fund will target high-growth information technology companies. In addition, for the first time, the fund will make investments in emerging life
